Sommario/riassunto	Effective early intervention doesn't stop when the provider leaves the family's home. That's why every interventionist needs this practical sourcebook, packed with research-based strategies for helping parents and caregivers take a consistent, active role in supporting young children's development. Targeting 80 skills in 6 key developmental domains for children birth to three, this reader-friendly guide gives professionals dozens of ready-to-use ideas for helping families and caregivers embed learning opportunities in their everyday routines. Early interventionists will turn to this b
