Ukraine's emerging democracy and the Russian factor; 12 Riding three horses: Moldova's enduring identity as a strategy for survival; 13 Conclusions and outlook; Primary sources; Secondary sources; Index

Sommario/riassunto

Russian-European political relations have always been problematic and one of the main reasons for this is the different perspectives on even the very basic notions and concepts of political life. With a worldwide recession, the problems as well as the opportunities in Russian-European relations are magnified. While most works on Russian-European, Russian-American and Russian-West relations focus on current policies and explain them from a standard set of explanatory variables, this book penetrates deeper into the structural and ideational differences that tend to bring about misperceptions,
