Homosocial Desire: Heroism, Misogyny, and the Male Bond; Notes; Selected Bibliography; Index |
| Sommario/riassunto      | The Fragile Scholar examines the pre-modern construction of Chinese masculinity from the popular image of the fragile scholar (caizi) in late imperial Chinese fiction and drama. The book is an original contribution to the study of the construction of masculinity in the Chinese context from a comparative perspective (Euro-American).  |
