

1. Record Nr.	UNINA9910791439703321
Titolo	The cost of environmental degradation : : case studies from the Middle East and North Africa // Lelia Croitoru and Maria Sarraf, editors
Pubbl/distr/stampa	Washington, D.C. : , : World Bank, , c2010
ISBN	1-282-81885-6 9786612818851 0-8213-8396-5
Descrizione fisica	xviii, 168 pages : illustrations, map ; ; 23 cm
Collana	Directions in development. Environment
Altri autori (Persone)	CroitoruLelia SarrafMaria
Disciplina	363.700956
Soggetti	Environmental degradation - Middle East Environmental degradation - Africa, North Middle East Environmental conditions Case studies Africa, North Environmental conditions Case studies
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Cover; Title Page; Copyright; Contents; Foreword; Acknowledgments; Abbreviations and Symbols; Chapter 1 - Introduction; Chapter 2 - Water Degradation; Chapter 3 - Air Pollution; Chapter 4 - Deforestation and Forest Degradation; Chapter 5 - Land Degradation; Chapter 6 - Oil Spill and Waste due to Conflict; Chapter 7 - Implications for Policies, Investments, and Institutions; Index; Back Cover
Sommario/riassunto	How much is a cleaner environment worth? For policy makers, that question goes largely unanswered. It's not that the environment is seen as unimportant. It's simply much easier to compare the costs and benefits of tangible projects such as airports and electrical grids, than it is to weigh the merits of a landfill cleanup. Over the past decades, the World Bank has undertaken a systematic effort to put a monetary value on environmental degradation, which results sparked policy changes. This book brings together the best case studies of the Cost of Environmental Degradation undertaken in the Mid
