See Them Suffer! -- Chapter 7 Thrills, Chills, and Doctors' Bills -- Chapter 8 Working for Bananas.   |
| Sommario/riassunto      | From striptease midgets, human pin cushions, and monkeys in miniature race cars to trained fleas and people with double bodies, three legs, and enormous feet, this chronicle of twisted midway attractions and the showmen who have presented them covers it all. The history of the circus side show and its companion, the carnival, is celebrated in words and rare, eye-popping images, making this a must for all collectors and enthusiasts. Interviews with many of the big players on the carnival circuit are included. |
