Sommario/riassunto	Between 1730 and 1750, Domingos Alvares traversed the colonial Atlantic world like few Africans of his time--from Africa to South America to Europe. By tracing the steps of this powerful African healer and vodun priest, James Sweet finds dramatic means for unfolding a history of the eighteenth-century Atlantic world in which healing, religion, kinship, and political subversion were intimately connected. Alvares treated many people across the Atlantic, yet healing was rarely

a simple matter of remedying illness and disease. Through the language of health and healing, Alvares also address
