Sommario/riassunto	An illustrated introduction to internationally acclaimed glass artist Stephen Rolfe Powell's career, this book charts the evolution of Powell's remarkable body of work. Dazzling photographic close-ups not only detail the luminous murrini patterns that have become Powell's signature but also reveal new ways of appreciating the complex interplay of color and texture in his art. Biographical and analytical essays by Mark Lucas, Laurie Winters, and James Yood explore such topics as the teamwork that is so critical to Powell's unique glassmaking process; his teaching and learning experiences on
