Nota di contenuto	Basics of online searching -- General literary reference sources -- Library catalogs -- Print and electronic bibliographies, indexes, and annual reviews -- Scholarly journals -- Literary reviews -- Magazines and newspapers -- Microform and digital collections -- Manuscripts and archives -- Web resources -- Researching a thorny issue.
Sommario/riassunto	Postcolonial literatures can be defined as the body of creative work written by authors whose lands were formerly colonized. This book is a research guide to postcolonial literatures in English, specifically from former British colonies in Africa, the Caribbean, and South Asia. While this volume focuses exclusively on Anglophone literatures, it does not address those from Australia, Canada, Ireland, and New Zealand as they have already been covered in previous volumes in the series.
