Sommario/riassunto

During the final decade of the German Democratic Republic (GDR), young citizens found themselves at the heart of a rigorous programme of socialist patriotic education, yet following the fall of the Berlin Wall, the emphasis of official state rhetoric, textbooks and youth activities changed beyond recognition. For the young generation growing up during this period, 'normality' was turned on its head, leaving a sense of insecurity and inner turmoil. Using a combination of archival research and interviews, together with educational materials and government reports, this book examines the relations
