Saint-Domingue, Slavery, and the Origins of the French Revolution; Conclusion: From Old Regime to French Revolution; Notes; Index; Contributors Sommario/riassunto From Deficit to Deluge takes stock of shifts in scholarly investigation of the origins of French Revolution. During the last decade, scholars have moved beyond ""revisionist"" historians of the 1970's, who highlighted the monarchy's degeneration into despotism, to explore related conflicts in the realms of finance, social relations, religion, diplomacy, the Enlightenment, and colonial policy. In this book, seven established authorities explore some of these critical intersections, and together

they make clear the role that unresolved tensions in these realms

played in the essentially...
