Sommario/riassunto	Grounded in extensive research and clinical experience, this indispensable book addresses the ""whats,"" ""whys,"" and ""how-tos"" of conducting effective marriage and relationship education. Leading authority W. Kim Halford reviews a range of contemporary models and provides an in-depth description of his own approach, Couple CARE. Session-by-session guidelines for therapists show how to help groups or individual couples-including those facing major life changes or stressors-foster closeness and communication, manage conflicts, and prevent common relationship problems.
