Sommario/riassunto	The 38 selections in the volume include complete texts of all of Veblen's major articles and book reviews from 1882 to 1914, plus key chapters from his books The Theory of the Leisure Class (1899), The Theory of Business Enterprise (1904) and The Instinct of Workmanship (1914). These writings present a wide range of Veblen's most significant contributions, especially with respect to the philosophical and psychological foundations of economics, sociology, and other social sciences. A thoroughly comprehensive volume, this is the only collection to present Veblen's writings in chronolog
