Sommario/riassunto	Epistemology, the philosophy of knowledge, is at the core of many of the central debates and issues in philosophy, interrogating the notions of truth, objectivity, trust, belief and perception. The Routledge Companion to Epistemology provides a comprehensive and the up-to-date survey of epistemology, charting its history, providing a thorough account of its key thinkers and movements, and addressing enduring questions and contemporary research in the field. Organized thematically, the Companion is divided into ten sections: Foundational Issues, The Analysis of Knowledge, T
