Sommario/riassunto	This book is a remarkable portrait of Edward J. Phelan (1888-1967), a man who dedicated his life to social justice and whose views and actions guided the work of the ILO for decades. One of a small group of people who mapped out the design of the ILO in the Treaty of Versailles in 1919 and one of the principal authors of the ILO Constitution, Phelan became the ILO's fourth Director-General in 1941 until his retirement in 1948.
