Sommario/riassunto	Dr. Jerome Blackman, author of 101 Defenses: How the Mind Shields Itself, has once again crafted an extraordinarily user-friendly book that demonstrates to all readers, from trainees to advanced analysts, the process of diagnosing mental disturbance. Get the Diagnosis Right provides a systematic method for accurately determining whether a person suffering with mental problems needs medication,

supportive/cognitive, dynamic, and/or psychoanalytic treatment.
Amalgamating the most useful ideas from general psychiatry, cognitive
psychology, and modern psychoan
