Sommario/riassunto	In the new edition of this highly popular book, Howard Rosenthal once again brings together a group of prominent therapists who share their insightful, pioneering, and favorite therapeutic techniques. These therapists include such well-known figures as Albert Ellis, Arnold Lazarus, William Glasser, Raymond Corsini, and Allen E. Ivey. Many of the classic entries in the previous edition are once again included, some unaltered and others updated, while several new chapters have been added to reflect the newest advancements in the counseling field.
