

1. Record Nr.	UNINA9910791894403321
Titolo	Nanomechanics and nanoelectronics : molecule-size machines / / edited by Kimberly Patch, Eric Smalley
Pubbl/distr/stampa	Boston, : Technology Research News, ©2004
Descrizione fisica	1 online resource (52 pages) : illustrations
Collana	TRN's Making the future report the state of an emerging technology and a look at what lies ahead ; ; no. 115
Soggetti	Technological innovations - Forecasting Computers - Technological innovations Information storage and retrieval systems - Technological innovations Inventions Nanostructures Nanotechnology
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
