Sommario/riassunto	Women and the Liberal Democrats is a timely and original exploration of women's representation and the third party in UK politics. Based on extensive research, it is the first comprehensive gendered analysis of the Liberal Democrats and the research highlights specific institutional factors within the Liberal Democrats that directly impact upon the party's low number of women MPs. It explores the extent to which the party's ideology, culture and organisation are dominated by a prevailing masculine bias and questions why the Liberal Democrats continue to overwhelmingly return white, middle-aged
