Sommario/riassunto	In a theatre which self-consciously cultivated its audiences' imagination, how and what did playgoers 'see' on the stage? This book reconstructs one aspect of that imaginative process. It considers a range of printed and documentary evidence - the majority previously unpublished - for the way ordinary individuals thought about their houses and households. It then explores how writers of domestic tragedies engaged those attitudes to shape their representations of

domesticity. It therefore offers a new method for understanding  
theatrical representations, based around a truly interdisciplinary st
