Sommario/riassunto	The deeply entrenched patterns of racial inequality in the United States simply do not square with the liberal notion of a nation-state of equal citizens. Uncovering the false promise of liberalism, State of White Supremacy reveals race to be a fundamental, if flexible, ruling logic that perpetually generates and legitimates racial hierarchy and privilege. Racial domination and violence in the United States are indelibly marked by its origin and ongoing development as an empire-state. The widespread misrecognition of the United States as a liberal nation-state hinges on th
