Sommario/riassunto	This is the sixth volume in the comprehensive and authoritative series, Germany and the Second World War. It deals with the extension of a European into a global war in the period from 1941 to 1943. It focuses on the politics, strategy, and operations of the belligerent powers as Germany lost the initiative to the Allies, and it represents, both in content and in composition, the climax and turning points of the war. Series description This is the sixth in the magisterial ten-volume Germany and the Second World War series.
