Altri autori (Persone)	RosenJoel Nathan <1961-> OgdenDavid C
Disciplina	796.0922
Soggetti	Public opinion - United States Women athletes - United States - Public opinion Women athletes - United States - Sexual behavior Lesbian athletes - United States Women athletes - United States Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	Female athletes are too often perceived as interlopers in the historically male-dominated world of sports. Obstacles specific to women are of particular focus in this book. Race, sexual orientation, and the similar qualities ancillary to gender require special exploration of the way they impact an athlete's story. Central to the book is the contention that women in their role as inherent outsiders are placed in a unique position even more complicated than the usual experiences of inequality and discord associated with race and sports.
