Sommario/riassunto	Teamwork is an undisputed asset for reducing nursing and medical errors, improving quality of patient care, resolving workload issues, and avoiding burnout. This text helps to foster the leadership expertise and partnerships that will facilitate the delivery of the highest-quality care. It is based on the time-tested wisdom that leadership knowledge, skills and, competencies gained by training a group of nurses in the same organization rather than a single nurse are much more likely to result in genuine organizational transformation. It is the only text

available to focus in depth on building and
