5.4 Conclusion

Sommario/riassunto

Sex Trafficking: A Private Law Response examines existing and potential causes of action against sex traffickers, clients and the state and argues for fair and effective private law remedies. Combining a theoretical inquiry about the borders of liability in torts and restitution with a political commitment to protecting the interests of victims of sex trafficking, this book offers a comparative doctrinal and socio-legal analysis of private law remedies, their justification, and their effectiveness. Tsachi Keren-Paz innovatively and convincingly makes the argument that all those dir
