Perspectives on sports coaching in action : what do we know about the act of sports coaching? -- pt. 3. Influences on becoming a sports coach : what do we know about the process of becoming and developing as a sports coach?.
Sommario/riassunto	Over the last three decades sports coaching has evolved from a set of customary practices based largely on tradition and routine into a sophisticated, reflective and multi-disciplinary profession. In parallel with this, coach education and coaching studies within higher education have developed into a coherent and substantial field of scholarly enquiry with a rich and sophisticated research literature. The Routledge Handbook of Sports Coaching is the first book to survey the full depth and breadth of contemporary coaching studies, mapping the existing disciplinary terr
