Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references.
Sommario/riassunto	Participants from Couch-Stone Symposium 2014 have transformed their presentations into elegant papers for this collection. Chapters fall into three categorical themes, largely reflecting their position in the symposium but, more importantly, reflecting a natural progression in scope of symbolic interactionist work in music: moving from observations of the individual to observation of organizations to interdisciplinary observations of music from scholars in related disciplines.

2. Record Nr.	UNINA9910792063803321
Titolo	A clinician's guide to binge eating disorder // edited by June Alexander, Andrea B. Goldschmidt and Daniel Le Grange

Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	pt. 1. The search for causes -- pt. 2. The search for solutions.
Sommario/riassunto	Incidence of BED appears to be on the increase. Treating it, and overcoming it, is all the more difficult, especially for those living in a culture that has an intense body image focus. A Clinician's Guide to Binge Eating Disorder educates the reader about its triggers and behaviours - and describes steps to treat it and resume a full and productive life. Evidence-based research outcomes provide the framework and foundation for this book.?? First-person case studies bring application of this science to life to help close the gap between research and treatment/care, and the imp
