Sommario/riassunto

This book presents the results of systematic comparative analyses of electoral behavior and support for democracy in 13 countries on four continents. - ; This book presents the results of systematic comparative analyses of electoral behavior and support for democracy in 13 countries on four continents. It is based on national election surveys held in "" and "" democracies in Europe (Germany, Britain, Spain, Greece, Italy, Portugal, Bulgaria), North and South America (the United States, Chile and Uruguay), and Asia (Hong Kong) between 1990 and 2004. It is methodologically innovative, notwithstan
