Sommario/riassunto	Highlighting gender as a significant and always present factor in the British Empire makes for a very different reading of that singular and fascinating history. In this volume, major scholars ask fresh questions

about traditional issues, as well as exploring questions seldom hitherto asked. - ;Focusing the perspectives of gender scholarship on the study of empire, this is an original volume full of fascinating insights about the conduct of men as well as women. Bringing together disparate fields - politics, medicine, sexuality, childhood, religion, migration, and many more topics - this colle
