Budgets are like road maps -- they provide a direction for a corporates financial management. Balance sheets and statements of revenues also provide insights into how well a company is following that direction. But cash flow and cash flow forecasts are what guide the day-to-day itinerary for an organization. Budgets and cash flow are dynamic -- adjustments and changes can and should occur. If you understand what you are looking at, you can use cash flow to create better budgets and thus more accurate cash flow forecasting.Cash Flow Forecasting outlines the techniques

Sommario/riassunto

John Neal and Nineteenth-Century American Literature and Culture is a critical reassessment of American novelist, editor, critic, and activist John Neal, arguing for his importance to the ongoing reassessment of the American Renaissance and the broader cultural history of the Nineteenth Century. Contributors (including scholars from the United States, Germany, England, Italy, and Israel) present Neal as an innovative literary stylist, penetrating cultural critic, pioneering regionalist, and vital par

Sommario/riassunto

The Holocaust is frequently depicted in isolation by its historians. Some of them believe that to place it in any kind of comparative context risks diminishing its uniqueness and even detracts from the enormity of the Nazi crime. In reality, such a restricted understanding of 'uniqueness' has pulled the Holocaust apart from history and set up barriers to a better understanding of the racial onslaught unleashed within the Third Reich and its conquered territories. Working against the grain of much earlier writing, this innovative new history combines a detailed re-appraisal of the development of
