The Deal that Never Was: Israel's Clandestine Negotiations with

Sommario/riassunto

For over sixty years the state of Israel has proved adept at practising clandestine diplomacy--about which little is known, as one might expect. These hitherto undisclosed episodes in Israel's diplomatic history are revealed for the first time by the contributors to this volume, who explore how relations based upon patronage and personal friendships, as well as ties born from kinship and realpolitik both informed the creation of the state and later defined Israel's relations with a host of actors, both state and non-state. The authors focus on the extent to which Israel's clandestine diplomaci
