Descrizione fisica	1 online resource (xvii, 308 p.)
Disciplina	340.071/173
Soggetti	Law - Study and teaching - United States Law - United States - Methodology
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references (p. 279-300) and index.
Sommario/riassunto	Anyone who has attended law school knows that it invokes an important intellectual transformation, frequently referred to as "learning to think like a lawyer". This process, which forces students to think and talk in radically new and toward different ways about conflicts, is directed by professors in the course of their lectures and examinations, and conducted via spoken and written language. Beth Mertz's book delves into that language to reveal the complexities of how this process takes place.
