Religion First-and Last; Notes; Index; A; B; C; D; E; F; G; H; I; J; K; L; M; N; O; P; R; S; T; U; V; W; Y; Z
Sommario/riassunto	Forrest and Gross expose the scientific failure, the religious essence, and the political ambitions of ""intelligent design"" creationism. They examine the movement's ""Wedge Strategy,"" which has advanced and is succeeding through public relations rather than through scientific research. Analyzing the content and character of ""intelligent design

theory," they highlight its threat to public education and to the separation of church and state.
