| Sommario/riassunto      | This case study is part of the Contemporary Cases Online series. The series provides critical case studies that are original, flexible, challenging, controversial and research-informed, driven by the needs of teaching and learning. Each case is fully referenced in academic style and is accompanied by a wealth of supplementary material including discussion questions, further reading, links to websites, etc. Readers can follow these hyperlinks to obtain further information about the specific concepts, terms, issues and organisations identified in each case. Teaching notes, slides, essay question |
