

1. Record Nr.	UNINA9910792298303321
Autore	Yenari M. A
Titolo	Glia and inflammation in neurodegenerative disease
Pubbl/distr/stampa	[Place of publication not identified], : Nova Science, 2006
Collana	Nova biomedical Glia and inflammation in neurodegenerative disease
Disciplina	616.8/0479
Soggetti	Nervous system - Degeneration Inflammation Nervous System Diseases Cells Pathologic Processes Nervous System Medicine Pathological Conditions, Signs and Symptoms Anatomy Health Occupations Diseases Occupations Neuroglia Neurodegenerative Diseases Pathology Human Anatomy & Physiology Health & Biological Sciences Neuroscience
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di contenuto	Role of microglia in CNS inflammation / Wolfgang J. Streit ... [et al.] -- Astrocytes as inflammatory cells in acute and chronic neurodegeneration / Valerie Chock and Rona Giffard -- Cell death pathways and the immune response / Jennifer M. Pocock ... [et al.] -- Glial-neuronal cross-talk in neurodegeneration / Michael P. Flavin --

Inflammation in stroke / Xian Nan Tang and Midori A. Yenari --  
Inflammatory processes in Alzheimer's disease / Michael T. Heneka --  
Neuroinflammation and Parkinson's disease / R. Lee Mosley ... [et al.,]  
-- Inflammation and ischemia in the developing brain / Zinaida S.  
Vexler.
