                     Chapter 15: WordPress Developer CommunityIndex

   Sommario/riassunto An in-depth look at the internals of the WordPress system. As the most
                     popular blogging and content management platform available today,
                     WordPress is a powerful tool. This exciting book goes beyond the
                     basics and delves into the heart of the WordPress system, offering
                     overviews of the functional aspects of WordPress as well as plug-in and
                     theme development. What is covered in this book?WordPress as a
