Sommario/riassunto

This book offers a definitive text on the vital topic fundraising. It provides students of fundraising and nonprofit professionals access to the most relevant theories and includes concrete examples of modern fundraising practice. The book contains clear learning objectives, recommended readings, case studies, summary self-test questions, and exercises at the end of each chapter. The Principles and Practice of Fundraising comprehensively addresses all the major forms of fundraising and critical topics such as donor behavior and fundraising planning. Praise for fundraising pr
