Sommario/riassunto	The years 1990-93 were a critical moment in Russia's political development. This book provides a systematic explanation of outcomes of constitutional bargaining processes in Russia, which radically

reshaped the institutions of the Russian state: removing Russia from constitutional subordination to the Soviet Union in 1990; creating a presidency and a constitutional court in 1991; and restructuring the relationship between the central state and its component federal units with the passage of three Federal Treaties in 1992. The book explores the reasons for these outcomes and identifies why t
