| Nota di bibliografia    | Includes bibliographical references (p. [204]-221) and index.                                                                                                                                                                                                                                                                                                                                                                                                                 |
| Nota di contenuto       | Society and ideas in German foreign policy making -- Ideas, beliefs, and politics, 1950s-1960s -- The first ten years: national interest vs. national obligation, 1952-1962 -- "The fateful question of the German nation": German foreign policy toward Israel, 1962-1964 -- "The normalization of the situation": German foreign policy toward Israel, 1964-1965 -- Demonstrating reconciliation: state and society in West German foreign policy toward Israel, 1952-1965. |
| Sommario/riassunto      | For more than a decade, West Germany denied Israel the commencement of official diplomatic relations. In a policy-reversal, however, Bonn eventually offered Jerusalem the exchange of ambassadors in 1965. This book interprets the government's change of heart as the result of grassroots intervention in high level politics.                                                                                                                                            |
