Forster's A passage to India -- Race, sex, fear, revenge in Richard Wright's Native son -- State terrorism and revenge in Andre Brink's A dry white season -- Rogue cops and beltway vigilantes.
Sommario/riassunto	In the wake of Guantanamo Bay, extraordinary renditions, and secret torture centres in Eastern Europe and elsewhere, Revenge versus Legality addresses the relationship between law and wild or vigilante justice; between the power to enforce retribution and the desire to seek

revenge. Taking up a variety of narratives from the eras of Romanticism, Realism, Modernism and the Contemporary period, and including new theories to explain the interactions that occur between legalistic courtroom justice and the vigilante variety, *Revenge versus Legality* analyzes some of the main obs

Sommario/riassunto

Fascist Ideology is a comparative study of the expansionist foreign policies of fascist Italy and Nazi Germany from 1922-1945. Fascist Ideology provides a comparative investigation of fascist expansionism by focusing on the close relations between ideology and action under Mussolini and Hitler. With an overview of the ideological motivations behind fascist expansionism and their impact on fascist policies, this book explores the two main issues which have dominated the historiographical debates on the nature of fascist expansionism: whether Italy's and Germany's particula
