Sommario/riassunto

Having the knowledge and skills to competently provide intervention with families regardless of the type of violence they are experiencing (child abuse, domestic violence, or elder abuse) can be a daunting task. This book is intended to assist social work students in graduate or undergraduate courses to better understand the theories and practical issues surrounding family violence. *Social Worker and Family Violence* is innovative by virtue of its breadth and depth of information and insight specifically concerning family violence. The book is also comprehensive, including investigatory procedu
