Engaging the Ear: Teaching Radio Drama Adaptations; Chapter 11. The Pleasures of "Theater Film": Stage to Film Adaptation; Filmography; Bibliography; Index; About the Editors and Contributors

Sommario/riassunto

Transcending the literature/film paradigm of typical film adaptation courses, these essays focus on the idea of 'adaptation' and what it means in different socio-political contexts. This volume not only suggests how 'adaptation' might be used in different disciplines but how it might improve the learning experience for teachers and students alike.
