Sommario/riassunto	Sartre and Foucault were two of the most prominent and at times mutually antagonistic philosophical figures of the twentieth century. And nowhere are the antithetical natures of their existentialist and poststructuralist philosophies more apparent than in their disparate approaches to historical understanding. In Volume One of this authoritative two-volume study, Thomas R. Flynn conducted a pivotal and comprehensive reconstruction of Sartrean historical theory. This

long-awaited second volume offers a comprehensive and critical
reading of the Foucauldian counterpoint. A history, theorized Fouca
