Sommario/riassunto

Italy Today represents one of the most comprehensive examinations of contemporary Italy. It is a provocative and an innovative collection that aims to highlight the current 'crisis' of the country through an analysis of several different 'dark shadows' of contemporary Italian society. Italy already had a long history of 'unsolved' issues, several chronic problems and contradictions that have been ignored for a very long time, during which they have assumed dramatic proportions and gravity. The peninsula has now become the 'Sick Man of Europe', a country facing a veritable decli
