Nota di contenuto	Prologue: Between the Saints; 1. The Old River; 2. Shell Game; 3. John L. Grindle and Associates; 4. River Year; 5. A Gathering of River Rats; 6. Deus ex Machina
Sommario/riassunto	Up on the River is John Madson's loving and often hilarious tribute to the people, animal life, and places of the Upper Mississippi. Madson's Upper Mississippi is the part "between the saints," from St. Louis to St. Paul, and where for thirty years he explored the bright waters of the upper reaches of the mighty river itself as well as the tangled multitude of sloughs, cuts, and side channels that wander through its wooded islands and floodplain forests. "Some of my best time on the River has been in the company of game wardens, biologists, commercial

"Humanitarian crisis photography" and self-representation in the Democratic Republic of the Congo / Aubrey P. Graham -- Visions of sex-trafficking: The filmic representation of suffering / Katherine Wahlberg -- An evolutionary process of capturing images of people experiencing homelessness / Dr. Andra Opalinski, Dr. Susan Dyess and Dr. Nancy Stein -- Memes, mashups, and the battle for the future of human culture / Tok Thompson -- Images of trans: Framing the way we see transgender people / Nancy Lipkin Stein.
Sommario/riassunto	This book explores issues of creation, distribution, and control of images through official and unofficial sources, asking what impact that has had on human rights and what the ethical implications are. The volume includes research from healthcare advocates, human rights scholars and activists, photographers, and visual anthropologists who

see a need for more careful contextual interpretation of images in global and local settings. It represents diverse forms of scholarship and the ever-changing field of research methodologies, and it examines how human rights issues take advantage of visual methodologies and how the visual works to communicate these issues with the public. As such, this collection will be useful for researchers studying in the fields of visual culture and human rights.
