crossroads in the sustainable development approach : a case study on the Forest Moratorium, 2011-2014 / Maria Teresa Uribe-Jaramillo -- Creation and shaping of the global solar photovoltaic (PV) market / Valtteri Kaartemo.

Sommario/riassunto

This volume explores the meaning of the Paris Climate Agreement 2015 for business; it analyses its challenges and implications, and establishes required actions by the private sector in order to reduce global warming and mitigating climate change effects. We bring together evidence-based, conceptual and theoretical contributions from a diverse set of geographical locations, and disciplinary backgrounds on the meanings, implications, opportunities and challenges for business around the planet in relation to climate change.
