Publisher's description.

Camp Granada is a curriculum and administrative guide to organize a music camp in your school, place of worship, community center, or wherever there are people who love music and desire to share that love of music with young children. Its theme-based lessons blend the instructional rigor of formal music learning with the fun, excitement, and life-changing atmosphere of summer camp and integrate arts and classroom objectives into a music curriculum that fosters creativity and musical exploration. Activities include singing, playing instruments, movement, listening, music literacy, and summer-camp-style games and activities that continue to expose students to music content and skills. The mission of Camp Granada is to provide the highest-quality music camp experience in a child-centered environment that encourages participation, stimulates creativity, and focuses on fun; to increase each child's awareness and enjoyment of music; and to instill in each child a desire to continue musical involvement for a lifetime.--
