

1. Record Nr.	UNINA9910792831403321
Autore	Techera Erika J.
Titolo	International law of sharks : obstacles, options and opportunities // By Erika J. Techera, Natalie Klein
Pubbl/distr/stampa	Leiden, Netherlands ; ; Boston, [Massachusetts] : , : Brill Nijhoff, , 2017 ©2017
ISBN	90-04-34551-5
Descrizione fisica	1 online resource (300 pages) : illustrations
Collana	Legal Aspects of Sustainable Development, , 1875-0923 ; ; Volume 24
Disciplina	343.0769273
Soggetti	Shark fisheries - Law and legislation Sharks - Law and legislation International law Sharks - Conservation Sharks - Conservation - Government policy
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	The Case for Sharks -- International Law Framework -- Governance and Regulation -- Species-based Measures -- Spatial and Area Measures -- Institutions: Key Roles and Structural Issues -- Enforcement and Compliance -- Broader Lessons Learned: A Principled Approach.
Sommario/riassunto	In International Law of Sharks , Erika J. Techera and Natalie Klein provide an in-depth analysis of the current legal frameworks that relate to these important species. The authors offer ways in which to overcome obstacles that prevent existing laws from working better and identify best practice global governance options while highlighting opportunities for legal reform. Scientific evidence indicates that sharks play a critical role in maintaining marine ecosystem health, yet current governance regimes have not been effective and many shark species continue to diminish. In this context, effective laws are critical to improve sharks' conservation status. This volume also explores the broader relevance of oceans governance by identifying appropriate legal frameworks and regulatory mechanisms that balance conservation and utilisation of marine species in general.
