Sommario/riassunto	This book discusses the experiences of women negotiating conflict and post-conflict situations to deliver transformative peace. Inspired by the vision and values of women of the South Asian Peace Network, this volume fills a critical gap in the global Women, Peace and Security (WPS) discourse. The chapters focus on the region's multifaceted experiences and feminist expertise on women negotiating post-war/post-conflict situations structured around interlinked themes - women, participation and peacebuilding; militarization and violent peace; and justice, impunity, and accountability.
