Collana	Oberon modern plays
Disciplina	794.8
Soggetti	Video games Violence Drama & Performance Studies Plays, playscripts Drama
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	In Killology, players are rewarded for torturing victims, scoring points for "creativity". But Killology isn't sick. In fact it's marketed by its millionaire creator as a deeply moral experience. Because yes, you can live out your darkest fantasies, but you don't escape their consequences. Out on the streets, not everybody agrees with him. "There is an instinctive revulsion against taking a human life. And that revulsion can be conquered."
