Sommario/riassunto	In this timeless classic by the famed author of Hairy Maclary, a baby turtle makes a perilous journey to the sea. Lynley Dodd's classic story about a little turtle who hatches late, and must make a dangerous dash to the sea all by himself. The words in his head became stronger than ever, 'To the SEA - to the SEA.' The smallest turtle is the last of his family to set out on the journey to the sea. The sand is hot and the danger is great - will he make it to the safety of the ocean? A beautiful story to read aloud, with illustrations that are sure to awaken and stimulate a child's interest in the wonders of nature. From Lynley Dodd, the creator of the much-loved Hairy Maclary and Friends series.
